

R E M A R K S

As agreed per Applicants' telephone interview with Examiner Zurita April 19, 2005, Applicants hereby submit amendment of Claims **2, 9, 11, 13, 15, 17, 19, 22, 28, 30, 35, 48** and **123-124** after final rejection to overcome the Examiner's objection in the Final Office Action, mailed November 17 2004. Applicants have made the present amendment after final to place the claims in better condition for appeal. No fees are believed to be due for this amendment.

I. Claim Objections

The Examiner has objected to Claims **2, 9, 11, 13, 15, 17, 19, 22, 28, 30, 35, and 48** under 37 CFR 1.75(c) as being of improper dependent form for failing to further limit the subject matter of the previous claim. While Applicants disagree with the Examiner's objection of the above claims, Applicants have amended Claims **2, 9, 11, 13, 15, 17, 19, 22, 28, 30, 35, 48** and **123-124** to include limitations that were previously incorporated by reference to place the claims in better condition for appeal. See MPEP 714.12. No new matter has been added.

Applicants respectfully request entry of the amendment of the instant claims after the Final Office Action, mailed November 17, 2004 under 37 CFR 1.116 per Applicants' telephone interview with Examiner Zurita April 19, 2005.

II. Claim Rejections

The Examiner's rejections of the instant claims will be addressed upon appeal.

CONCLUSION

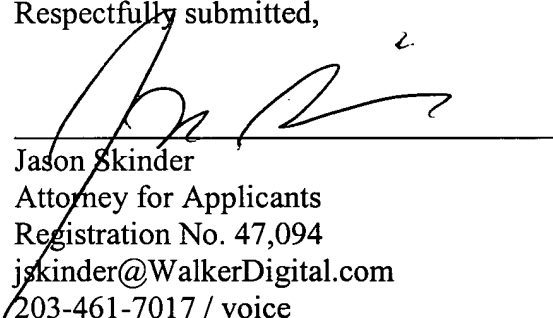

For the foregoing reasons it is submitted that all of the claims are now in condition for appeal.

No additional fees are believed to be due for this Amendment. Please charge any additional fees that may be required for this Response, or credit any overpayment to Deposit Account No. 50-0271.
